HIGH VALUE NETWORK

Statewide access to quality care

Your best choice for quality care at an affordable price with a broad selection of healthcare providers. The High Value Network includes leading doctors, clinics and hospitals across Minnesota.

TRAVEL WITH CONFIDENCE

When you travel outside the state, you have access to 2 million providers spanning every U.S. ZIP code through the national BlueCard® PPO network.* In addition, Blue Cross Blue Shield Global® Core gives you access to care in 190 countries and territories worldwide.

*The High Value Network includes providers one county into the neighboring states of Iowa, South Dakota, North Dakota and Wisconsin. When seeking care in these counties, search for providers using High Value Network (not BlueCard PPO).

Available to employers headquartered in Minnesota. Employees must live in the High Value Network service area to enroll.

Each healthcare provider is an independent contractor and not our agent. It is up to the member to confirm provider participation in their network prior to receiving services. Each Blue Cross and/or Blue Shield plan is an independent licensee of the Blue Cross and Blue Shield Association. Blue Cross Blue Shield Global Core is a registered mark of the Blue Cross and Blue Shield Association, an association of independent Blue Cross and/or Blue Shield plans.

A NETWORK THAT FITS YOU

131 HOSPITALS
16,384 PRIMARY CARE PROVIDERS
49,691 SPECIALTY CARE PROVIDERS

Numbers are subject to change and are reflective of signed contracts as of June 2025.

Network matters

Be sure to stay in the network. Your out-of-pocket costs will be higher when you see an out-of-network provider.

- Log in at bluecrossmn.com/BCA to find providers in your specific network
- Not a member? Visit bluecrossmn.com/FindADoctor and select the network you are considering

QUESTIONS?

Visit bluecrossmn.com/BCA or call the number on the back of your member ID card

Providers you know and trust

Choose from a broad selection of providers throughout Minnesota. **It's important to make sure your doctor or hospital is in the network before you receive care.**
